WHO WE ARE

At Art-Tec, we don't just build structures we craft experiences. With over 15 years of proven expertise in construction, interior finishing, and decoration, we have become a trusted name in shaping spaces that reflect functionality, elegance, and innovation. Founded on a passion for design and a commitment to excellence, Art-Tec has delivered numerous successful projects for both local and international clients, collaborating with major names across diverse sectors. Our work spans from robust structural execution to the finest decorative details all carried out with precision, creativity, and attention to client vision. Our integrated approach, combining engineering excellence with artistic insight, allows us to transform raw spaces into inspiring environments. Whether it's a corporate office, luxury residence, retail space, or hospitality venue, we bring deep industry knowledge, cutting-edge techniques, and a dedicated team to every project.

ART TEC

New Success Story

فانشی

Art-Tec was honored to bring the vision of Fanshi Restaurant to life through a full-scope project that included construction, interior finishing, and custom decorative work. This collaboration reflects our deep understanding of the hospitality industry's need for spaces that are not only visually captivating but also functional and inviting.

With a focus on blending modern aesthetics with cultural sophistication, our team transformed the space into a refined dining environment that elevates the customer experience and aligns perfectly with the Fanshi brand. From the first brick to the final decorative touch, Art-Tec delivered a seamless, detail-driven result that supports Fanshi's ambition to become a standout name in the culinary scene.

New Success Story

LC WAIKIKI

Art-Tec is proud to have partnered with LC Waikiki, one of the leading international fashion retailers, to deliver a full-scale project involving store construction, interior finishing, and in-store branding. This collaboration reflects our deep experience in the retail sector, where precision, aesthetics, and brand consistency are essential.

Our team worked closely with LC Waikiki's global standards to create a retail environment that is both modern and customer-focused, ensuring a smooth integration of design, layout, and brand identity. From structural execution to the smallest visual detail, Art-Tec helped create a dynamic shopping space that enhances the customer journey and strengthens LC Waikiki's presence in the local market.

New Success Story

Bookshop Medad

Art-Tec was proud to collaborate with Medad Bookshop, a distinguished name in the literary and cultural scene, to deliver a complete solution encompassing store construction, interior finishing, and thematic branding. This project allowed us to merge functionality with atmosphere creating a space where books, design, and experience meet.

From the architectural layout to the finest decorative touches, our work with Medad focused on building an inviting and intellectually rich environment. We aimed to reflect the spirit of the brand: thoughtful, elegant, and deeply connected to the reader's journey. Art-Tec delivered a space that not only serves as a retail outlet but as a cultural destination.

New Success Story

EASY GO

Art-Tec had the exciting opportunity to collaborate with Easy Go, a rising name in the motorcycle retail industry, to deliver a complete solution including store construction, interior finishing, and branding implementation. With a focus on performance, lifestyle, and customer engagement, Easy Go required a space that matched the bold spirit of its brand.

From rugged industrial finishes to sleek display solutions, Art-Tec brought the space to life with a blend of functionality, modern aesthetics, and brand expression. The result is a showroom that not only highlights the power and design of each motorcycle but also enhances the overall customer experience — reflecting the energy and ambition of the Easy Go brand.

New Success Story

SARAR

Art-Tec had the privilege of partnering with SARAR, a prestigious name in men's fashion and tailoring, to deliver a turnkey solution covering store construction, interior fit-out, and brand integration.

Renowned for its craftsmanship, luxury, and refined aesthetic, SARAR required a retail environment that would reflect its commitment to quality, sophistication, and timeless style. Art-Tec responded with a design and build approach that emphasized premium materials, tailored detailing, and a seamless customer flow — all within a setting that mirrors SARAR's brand essence.

From bespoke interior finishes to carefully curated lighting and product displays, the result is a space that exudes elegance and exclusivity, enhancing the customer's shopping journey while reinforcing SARAR's position as a leader in contemporary fashion retail.

TOMA

Art-Tec partnered with TOMA Restaurant, a contemporary dining concept, to deliver a complete solution that included architectural execution, interior finishing, and brand integration transforming the vision of TOMA into a memorable, immersive space.

Blending refined materials, atmospheric lighting, and thoughtful spatial planning, Art-Tec created a setting that reflects TOMA's commitment to quality, style, and elevated dining. From the welcoming entrance to the intimate seating zones, every detail was designed to enhance the culinary experience and brand story.

The result is a sophisticated environment where aesthetic harmony meets operational efficiency, inviting guests to indulge in both the food and the ambiance a true testament to Art-Tec's capability in high-end hospitality design.

YVES ROCHER

Art-Tec proudly collaborated with YVES ROCHER, the globally recognized French brand rooted in botanical beauty and sustainability, to deliver a comprehensive solution including store construction, interior execution, and brand implementation.

With a focus on natural elements, clean design, and customer wellness, YVES ROCHER required a retail space that embodied its commitment to eco-conscious beauty. Art-Tec translated this vision into a harmonious, nature inspired environment, featuring organic textures, soft lighting, and eco-friendly materials that mirror the brand's values.

The result is a space that feels fresh, inviting, and purpose driven enhancing the customer journey while reinforcing YVES ROCHER's identity as a pioneer in natural beauty and sustainable retail.

Electrical Works.

ART TEC®
INTERIORS

At Art-Tec, we deliver comprehensive electrical installation solutions designed to meet the evolving needs of modern buildings and infrastructure. Our services cover the full scope of electrical systems, including power distribution, lighting systems, low-current systems, cable management, switchgear installation, panel assembly, grounding, and backup power solutions. We serve a wide range of sectors from commercial complexes and residential developments to industrial facilities and critical infrastructure ensuring each project is executed with precision, safety, and strict adherence to international standards. Our team of qualified engineers and technicians brings deep technical expertise and hands-on experience to every phase, from design and planning to testing and commissioning.

Whether it's a new build, a renovation, or a system upgrade, Art-Tec ensures seamless integration of electrical systems with other building services, delivering energy efficiency, operational reliability, and long-term performance.
With a strong commitment to quality and compliance, Art-Tec stands as a trusted partner in powering smart, safe, and sustainable environments.
